# Key Successes 2013

1. **Functional** multi-sectoral coordination body created
2. The NNP **revised, relaunched** (June 2013) and implementation (ongoing)
3. **Knowledge-sharing** event carried out and **evidence based OR** (underway)
4. Multi-sectoral nutrition **score-card** for M&E agreed upon and development (underway)

# Key Challenges and Constraints

Challenge/Constraint	Impact on CIP targets	Mitigation
1. Engaging government sectors	Delayed revision of the NNP, and in turn, implementation	Continued dialogue with sector staff and emerging national and global evidence
3. M&E or NIS triangulation proved difficult	Delayed revision process	Re-engaged after revised NNP launch – <b>Scorecard</b>

# Ethiopia's Advocacy Materials

The cover is a solid yellow rectangle. At the top left is the logo of the Federal Democratic Republic of Ethiopia Ministry of Health, a blue circle with a yellow star. At the top right is the USAID logo, a circular seal with 'USAID' and 'FROM THE AMERICAN PEOPLE' text. Below the USAID logo is the text 'USAID FROM THE AMERICAN PEOPLE'. The main title is centered in bold black text: 'A Tool to Support Nutrition Advocacy in Ethiopia: Ethiopia PROFILES 2012 Estimates Final Report'. 'Advocacy' is in red. Two horizontal white lines separate the header from the title and the title from the bottom.

# Way forward and opportunities

1. High level advocacy – H E the First Lady
2. More engagement of the CSO network recently established – advocate for BMS, maternity leave, and other policy issues
3. Multi-sectoral **capacity building**
4. Re-formulating the role of the 4 UN agencies, including conceptualising the SUN UN network in the Ethiopian context
5. More support on M&E system started including **score card** and the development of an easily updatable **database** on stakeholders
